Action Taken Report

Session : 2019-2020

We collect online feedback from teachers, students & parents :-

1. It was decided to improve infrastructure in class room. Class room are having adequate furniture, functional fans, lecture stand, green board. There is need to have smart class room. So, it was decided to demand money from DHE, Panchkula for smart class room equipment.
2. It was recommended to utilize library grant putting more emphasis on purchase of books than other equipments.
3. It was conveyed to all teaching staff & non-teaching staff to be humble with students & help them by going out of box as & when required.
4. Teachers were guided to prepare their lecture before attending class, so that we can have 100 percent excellent response for this question.
5. It was decided to organize preliminary test to find fast & slow learners so that we have exposure of their level of previous knowledge.
