Sub : Clarifications regarding Online Admissions.

Kindly refer to the subject cited above.

- Earlier we authorized government colleges for verification of forms. On the request of aided colleges, forms will also be sent to aided colleges too for verification at random.
- The State Government while giving permission to sanction new courses sanctioned B.Sc (Computer Science), B.Sc (Electronics), B.Sc (Bio-Technology) etc. in the previous years. Whereas Computer Science, Electronics and Bio Technology are optional subjects like History or Political Science, these should not be treated as a Course. In this connection, the following clarification is issued keeping in view the instructions/notifications issued by the State Universities from time to time (in the matter of grouping of subjects in B.A and B.Sc streams/courses):

1. If the College has been sanctioned B.Sc (Computer Science) course and the affiliating University w.r.t that College does not issue DMC/Degree with the same Convention/Nomenclature as B.Sc (Computer Science), then the same be read as **"Computer Science as one of the elective subjects in B.Sc (Non-Medical) stream"** and the allotted seats be counted towards respective subject combination of Computer Science under B.Sc (Non-Medical) stream.
2. Subsequently, in such case, reservation policy during admissions will now apply on total number of seats in B.Sc (Non-Medical) stream on the same pattern as followed in B.A course. For Example: According to the previous scenario, if sanctioned seats in B.Sc (Non-Medical) and B.Sc (Computer Science) are 80 and 40 respectively, then now onwards, total number of seats in B.Sc (Non-Medical) stream will be counted as 120 with relevant subject combinations having exactly 80 and 40 seats respectively. The reservation policy will now apply on 120 seats.
3. If the College has been sanctioned B.Sc (Computer Science) course and the affiliating University w.r.t that College also issues DMC/Degree with same Convention/Nomenclature i.e. B.Sc (Computer Science), then the same will

Umsd - 7

be treated as separate course and the reservation policy during admissions will apply on the respective course i.e. B.Sc (Computer Science).

4. The same scenario as mentioned above will apply to all the elective subjects allowed by the State Universities under B.Sc (Non-Medical) and B.Sc(Medical) streams/courses i.e. elective subjects like Electronics, Bio-Technology etc.
